Sustainable Solutions

Fresh 'n Clear™ Bowls and Lids are just one product in Placon's food packaging line made with EcoStar® FDA-approved, food-grade recycled PET from curbside-collected bottles and thermoforms. Fresh 'n Clear containers are produced with up to 100% recycled materials and are 100% recyclable.

Versatile and Beautiful

From 8 oz. individual serving sizes to 320 oz. bowls, our Fresh 'n Clear bowls and lids have a modern, yet timeless appearance that showcases food beautifully. The part square, part round, or "scround" bowls are durable and versatile, perfect for foods from nuts, cut fruit, and pasta, to leaf salads.

Fresh 'n Clear™

BOWLS AND LIDS

A tight, leak-resistant 360° seal ensures juices and other liquids stay securely contained.

Lid and base tabs are offset from the corners for easy opening.

It's not round, it's not square—it's scround! Fresh 'n Clear scround thermoformed bowls and lids elegantly showcase your fresh, prepared, ready-to-eat foods, increasing impulse purchases.

- High clarity and quality containers are made with curbside collected, post-consumer recycled bottles.
- Tight-fitting, leak-resistant lids help extend shelf life while preventing spills in the store as well as on the go.
- Stackable containers make merchandising easy and secure while maximizing display space.
- For ultimate versatility, choose from either flat or dome lid styles in every bowl size.
- All bowls available in black or crystal clear EcoStar post-consumer recycled PET.
- Compartment bowls are perfect for parties and snacks on the go and can accommodate most 4 oz. portion cups.
