

It's a dirty job.  
And we've got the gloves for it.

# Protect the hardest working hands in your kitchen.

The hands that take care of cleaning your pots, washing your dishes and sanitizing your equipment deserve top protection. San Jamar has a full line of gloves that will handle all of your chemical and heat protection requirements.

You'll find a glove that fits your requirements for every area of your kitchen. Each glove is constructed of high quality materials and designed for comfort and safety.
