

# Cutting edge safety. **Klever Cutter™**.

## BENEFITS

**RECESSED BLADE DESIGN**  
PREVENTS COSTLY CUT INJURIES

**UNIQUE DESIGN PREVENTS DAMAGE**  
TO CARTON CONTENTS

**ELIMINATE THE NEED TO**  
CHANGE BLADES

## Eliminate costly problems.

**Klever Cutter™** is the first disposable safety cutter that prevents costly cut injuries to employees and damage to products. Its patented design features a recessed blade that virtually eliminates injuries. It also prevents damage to the contents of cartons by allowing only a minimal portion of the blade to penetrate the carton surface.

# Klever Cutter™

“Simplicity is the ultimate sophistication.”

Leonardo da Vinci

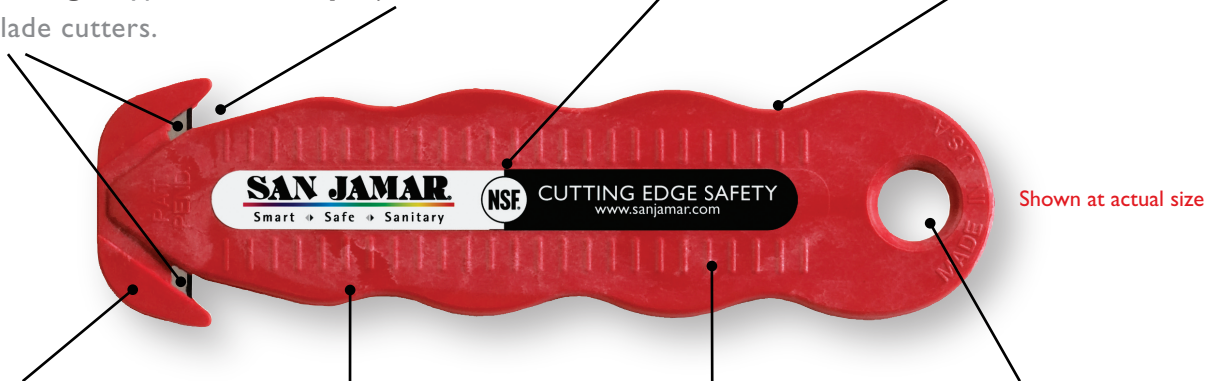

## Features

The Klever Cutter™ design features a dual stainless steel blade which **lasts twice as long** as typical single blade cutters.

Recessed blade position prevents contact with fingers which **eliminates costly injuries**.

The first and only **NSF Listed safety cutter**.

Klever Cutter's™ distinct ergonomic contour **fits perfectly in any hand**.

The unique shape pierces cardboard with minimal force and **prevents damage to carton contents**.

**High visibility color** makes the Klever Cutter™ easy to find in cluttered work environments.

Klever Cutter™ is **dishwasher safe** which helps eliminate cross-contamination.

Simple design allows for **easy storage and maximum accessibility**.

Item #	Case Type	Case Pack	Construction
KK401	Bulk Pack	50/cs	Tough high-density plastic with stainless steel blades
KK403	3pk Retail	24 blister pks/cs	Tough high-density plastic with stainless steel blades
